

Subject:	Homework details:
Maths	<p>Teachers will set one task a week from Hegarty Maths, based on a topic which has already been covered in lessons. This will usually be something from the previous half term.</p> <p>This is the minimum expectation, and pupils are encouraged to do as much extra independent revision as they wish to do.</p> <p>Pupils are also encouraged to use the trockstars.com website to improve their times tables speed as much as possible. With practice, every pupil should be able to get to 45 in a minute, with the best pupils achieving scores of over 100 in a minute.</p> <p>Finally, all pupils always take their maths books home with them, so they should be looking through their notes when they unpack their bags, and ideally showing their parents what they've been doing in lessons.</p>
English	<p>Term 1: Novel - 'Of Mice and Men' Narrative and descriptive writing.</p> <p>Term 3: Non-fiction Transactional writing</p> <p>Term 3: Poetry Modern drama</p> <p>Students will be issued with a knowledge organiser and homework booklet at the beginning of the scheme.</p>
Science	<p>Topic related quizzes and tasks are set via Doodle to support students learning.</p> <p>Individual teachers will set work to extend classroom learning.</p> <p>Revision for Topic Assessments.</p>
Food	<p>Year 9 student will continue with their restaurant research. Student across the years will be expected to ensure they bring their ingredients to class and extra praise for students who cook at home and bring in photographs of their dishes.</p>
Art	<p>Topic focus: Creatures</p> <p>Students will receive HWK at the discretion of their Art teacher. HWK tasks are set to develop 2D drawing skills, Artist knowledge and understanding, experimentation and exploration of project theme. Art homework should be completed at the same standard as class work. Task will be marked and included within Progress reports and end of year grade. All set homework is purposeful and enhances learning ready to support the next lesson activities.</p>
MFL	<p>In year 9 students are expected to spend 30 minutes a week learning vocabulary that supports what we are studying in lesson using Linguascope. Students can get a username/password reminder from their teacher. Students are also provided with a vocabulary sheet for each term, which they should be learning at home and will be tested on in school.</p>

	<p>HT1: Describing myself HT2: House and home HT3: School HT4: School continued HT5: Free time HT6: TV/cinema</p> <p>Additional homework tasks may be set at the class teacher's discretion.</p>
Geography	<p>This half term, Geography is diving in and exploring the mechanics of the movement of the Earth. We are studying exciting structures from the structure of the Earth to the future movement of the continents.</p>
History	<ul style="list-style-type: none"> -Research grid covering all four units to be studied over the year: Crime and punishment, Nazi Germany, Russia and Ancient Medicine. - Propaganda poster either on Nazi Germany or Tsarist/Stalin's Russia - Knowledge test booklet on Germany- to support those students who have picked GCSE History. -Revision for end of term assessments.
HAL	<p>Students are to demonstrate evidence of living a healthy, active lifestyle out of school hours. This may be done in the following ways:</p> <ul style="list-style-type: none"> - Attending an after school club or a weekend club - Using a step counter or calorie counter to track activity levels - Keeping a food diary to show evidence of a healthy diet - Keeping an activity diary which evidences an hour of activity each day (e.g. walking to school)
